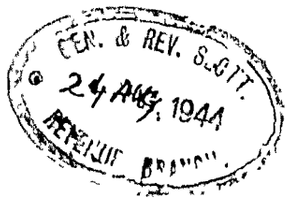
OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE

Bangalore, ...17th....August,.... ....1944.

60.44-1.



FROM Rajasevaprasakta
M. Seshadri, Esq., M.A.,
The Muzrai Commissioner in Mysore.

To

K. Subba Rao, Esq., B.A.,
General Secretary to the Government
of Mysore, Bangalore.

SIR,

Sri Sringeri Mutt - proposal to enhance the rate of dearness allowance paid to the Mutt Establishment, from Re.1 to Rs.3 per mensem - sanction sought for.

I have the honor to invite reference to G.O.No.R.Sgl-92/Muz.145-42-2 dated 4th January 1943, sanctioning the grant of dearness allowance at the rate of Re.1 p.m., to the officials and servants of Sri Sringeri Mutt (other than Government officials lent to the Mutt Service) working at Sringeri, with effect from 1st September 1942. The Deputy Commissioner Kadur District has, in his letter No.C2-C.59-2/44-45 dated 12th July 1944, reported that the mutt's officials and servants have represented that, on account of the high prices of commodities and consequent increase in the cost of living, the rate of dearness allowance now paid to them, may be raised, as in the case of Government officials. It is also reported that it is very necessary to enhance, suitably, the rate of dearness allowance paid to the Mutt Establishment at Sringeri, as, otherwise, owing to better wages of labour obtaining locally, the mutt servants (menial servants) may drop off one by one, and the other officials also may go to other places, to secure better employments. The Deputy Commissioner has, therefore, supported the proposal of the Officer in-Charge of the Mutt, to enhance the rate of dearness allowance from Re.1 to Rs.3 per mensem, in respect of all the officials and servants of the mutt (who are reported to be drawing less than Rs.40 p.m. as pay), except Vid. Sri Ramachandra Sastry, who is the Pandit attached to the Mutt, for giving tuition to the Junior Swamigalu, and is drawing a pay of Rs.60 p.m., without any dearness allowance, and to grant a dearness allowance of Rs.5 p.m. to Vid. Sri Ramachandra Sastry, referred to, with effect from 1st July It is reported that this proposal involves an extra expenditure of Rs. per annum, over and above the sanctioned expenditure included in the

Mutt's budget for 1944-45. The extra expenditure of Rs. 5,420 may be debited to the closing balance of the funds of the Mutt for 1944-45, which has been estimated at Rs. 100,240 in the budget. In these circumstances, I request you to be so good as to obtain sanction of Government to the proposal, to enhance the rate of dearness allowance from Re.1 to Rs. 3 p.m., in respect of all the officials and servants of the Mutt at Sringeri (except Pandit Sri. Sri Ramachandra Sastri), and to grant dearness allowance of Rs. 5 per mensem to Sri. Ramachandra Sastry, Pandit, with effect from 1st July 1944.

The Officer in-Charge reports that, though His Holiness has not been keeping well, he took an opportunity to discuss with him, the desirability to enhance the dearness allowance, but could not get a conclusive reply.

The Deputy Commissioner has, in his further letter No.S2-C.59-2/44-45 dated 5th August 1944, solicited orders, as to whether payment of the enhanced rate of dearness allowance, as proposed above, may be made in anticipation of sanction, as the Officer in-Charge of the Mutt has reported that there is every probability of some menial servants quitting Mutt Service and causing disaffection, etc., unless higher dearness allowance is given to them, quickly. The Deputy Commissioner has been requested to await sanction of Government, to the above proposals. I, therefore, request you, kindly, to communicate the orders of Government at a very early date.

Copies of the Deputy Commissioner's letters No.S2-C.59-2/44-45 dated 12th July, 4th and 5th August 1944, together with their enclosures, are sent herewith, for reference.

Sir,

Sanctioning the enhanced dearness allowance to the Sringeri Mutt Establishment from 1st July 1944.

- - -

I have the honour to enclose herewith report No. M.C.43/43-44 dated 1st July 1944 together with its enclosures received from the Officer-in-Charge, Sri Sringeri Mutt, and its properties and to state as follows:-

It is reported that the Teachers of Sanskrit Patasala attached to the Mutt, the peons and other servants of Sri Sringeri Mutt have represented that on account of the high prices of commodities and consequent increase in cost of living, they are feeling it very difficult to maintain themselves, and their families, and have given applications to raise the dearness allowance as in the case of Government officials. Government in their order No.R.589-92/Muz.145-42-2 dated 4-1-1943 sanctioned the dearness allowance at Rs.1/-p.m. to all the officials and Establishment of Sringeri Mutt with effect from 1-9-1942. The Government officials working in the Sringeri Mutt are drawing Rs.5/- or more dearness allowance according to their pay. Even in the Sringeri Municipality which has only an income of Rs.6000/- the officials are getting an allowance of Rs.5/- p.m. Peons at Rs.3/- and sweepers at Rs.2-8-0. But the employees of the Mutt Establishment are getting only one Rupee per month. The Officer in Charge reports that it is very necessary that the dearness allowance is enhanced suitably to the Mutt Establishment as otherwise owing to the better wages of labour obtaining locally the mutt servants may drop off one by one, and as well the officials and they may go to places where they can secure

secure better emolumen ts. He proposes that the dearness allowance may be enhanced to Rs.3/- p.m., to all the officials except one person Br.Sri. Ramachandra Sastry who is getting a pay of Rs.60/- p.m., who may be granted an allowance of Rs.5/- p.m. He further states that the total cost will be work up to Rs.5,100/- per annum resulting in an excess of Rs.3,420/- per annum, over the present sanctioned expenditure.

In view of the circumstances reported and recommended by the Officer-in-Charge, Sri Sringeri Mutt, I request that the proposals of the Officer-in-Charge, Sringeri Mutt may be sanctioned from 1st July 1944, the extra cost being met from the closing balance of the Mutt funds.

I have the honour to be,
Sir,

OFFICE OF THE OFFICER - IN - CHARGE,

From,

THE OFFICER - IN - CHARGE,
SRI SRINGERI MUTT AND ITS PROPERTIES,
[illegible] I.

To

The Deputy Commissioner,
Kadur District,
[illegible] D.

Sir,

I have the honour to submit herewith the petition dated the 20th June 1944 given by the peons and other servants of the Sri Mutt representing that on account of the high cost of commodities and consequent increase in the cost of living, they are feeling it very difficult to maintain themselves and their families. that their pay may be revised to at least Rs. 8/- p.m.

Another representation of the tenements of the Sringeri Mutt, requesting that the servants allowance should be raised to Rs. 8/- p.m. in the case of a married, is also enclosed.

Government in their Order No. [illegible] dated 4-1-1943 have sanctioned the grant of dearness allowance uniformly to all the officials of the Sri Mutt and their subordinates at the rate of Rs. [illegible] per mensem to all officials drawing pay upto Rs. 20/- p.m. and to those of officials drawing Rs. 20/- p.m. and below Rs. 7/- p.m. in the case of officials drawing [illegible] above that pay. But the Sri Mutt is now continuing to grant the rate of Rs. 1/- p.m. only. As the Sri Mutt is establishment itself, there is some text covering Sri officials [illegible] Deputy Collector [illegible] more than Rs. [illegible] dearness allowance [illegible] Rs. 8/- p.m. [illegible] - two - [illegible] Rs. 6/- the [illegible]

[illegible] Rs. 6/- p.m., peons at Rs. 5/- p.m. and the sweepers at Rs. 2/8/- p.m. The Mufti officials and servants naturally feel sore that they would be confined to the maximum Rs. 1/- only as dearness allowance even though the cost of living has consiederably increased after 1-6-1942 and the dearness allowance has been enhanced by Government and other Institutions as compared to that date. It is therefore for the Hon'ble Council to consider the desirability of granting an adequate amount of dearness allowance, or otherwise, on the ground that the Mufti's servants [illegible] Government servants and [illegible] the Mufti's servants.

The matter has not been kept back for some months past. I took the opportunity of discussing with him the desirability of granting the dearness allowance, on some occasions. But it has not been possible for me to get a conclusive reply. The Budget of 1944-45 needed to be framed without ascertaining His views on a matter of this relating to health. No provision for enhanced dearness allowance was therefore made in it as this was a matter of some new recurring expenditure and it was felt desirable to ascertain if possible, definitely, the views of His Holiness to the enhancement that may be given. In the meanwhile the servants have been pressing for increase and it was found not advisable to delay the matter further. I therefore beg to submit that the dearness allowance may be given at the rate of Re. 1/- p.m. as mentioned above with effect from 1-7-44 and the required provision made in the budget which has already been submitted for sanction.

The staff of the Mufti's office is [illegible] than Rs. 4/- p.m. only and the Mufti's Personal Assistant is drawing Rs. 60/- p.m. at present. Hence a sum of Re. 1/- p.m. (the present scale) the maximum allowance of Rs. 100/- per annum to the Mufti. Both a total of Rs. 1/- p.m. as dearness allowance will amount to Rs. 40/- per month for the entire establishment of the Mufti. [illegible] Rs. 1/- or more therefor, may be not

being given any document allowing now, may is civ n ra. b/- p.m.
ps document allowance and this will work out to ra. bo/- Ane total
cost on this account will be ra. b1o7/- per annum resulting in
an excess of Rs. 647.0/- per year over the present expenditure.

Suitable early order may kindly be passed in the matter
and the benefit of revision given effect to from 1-7-44.

Thanking you,

Yours faithfully,

Kindly let me know whether ~~xxx~~ I can give effect to the proposals re. enhanced dearness allowance i.e., from Re.1 to Rs.3/-. The menial servants are getting restive and there is temptation of higher wages for agricultural operations. If relief is not quickly offered some of the servants are on the verge of quitting service. I am assuring them that higher dearness allowance will be granted and orders are expected soon. But some of them are becoming impatient. Unless this relief is given quickly there is every probability of some servants quitting and there is the possibility of disaffection etc.

I solicit for very early instructions in the matter.

Sir,

I have the honour to state that this evening, some Madya servants of the Sri Mutt went on strike because their prayer for enhanced salary had not been sanctioned so far. Incidentally I also came to know that the other local servants of the Mutt also were contemplating a strike. I therefore sent for the strikers and tried my-best to persuade them to keep on as orders enhancing the Dearness allowance by Rs. 2/- more, were expected every day. They represented that they could not wait any longer and that unless the enhanced dearness allowance was given effect to immediately, they were not prepared to work. As there were definite orders of the Muzrai Commissioner to await orders of Government in the matter, I told them that they have to wait for a few days more and that they would get their increased allowance from July. But they would not listen and said they were not prepared to work unless they were given the increase forthwith. I told them that they might do as they choose, since they were not amenable to any sort of reasoning.. Thereafter a batch of local servants also came on deputation. I prevailed upon them to the same arguments to stick on, pending orders of Government and that they will not have to wait for long. I therefore request you to kindly obtain immediate orders of Government enhancing the dearness allowance as already proposed as otherwise the disaffection is likely to spread to dangerous proportions. So far as the Madya servants are concerned, I find that some of them are made strong and mischievous. I hope they will think over well during

the night and have the better sense to come to work tomorrow. If they do not do so, I may have to make other arrangements to get throughk the work. I shall send up a further report about the situation tomorrow.

Subject:- Strike of Sri Mutt Servants.

In continuation of my letter No. M.S.43/43-44 dated the 9th instant on the above subject, I have the honour to state that six Manaya servants and four Bhandaryagalu servants stayed away from duty this morning. Every persuasion with the leaders was of no avail. Arrangements were made to get the work attended to with the help of hired labour. To prevent possible mischief from the strikers, the Peadily Amildar was instructed to see that all the Manaya servants of the Sri Mutt residing on the other side of the river were kept to come to this side of the river to have a sort of watch on them, as there are hay ricks, cattle and other valuable property. The local police have also been instructed to keep a watch on the strikers. Practically every Manaya servant and Bhandaryagalu servant is in the movement but a few(6) of them have still stuck to their seats. I request instructions as to whether I could employ such of those who may report themselves for duty hereafter, the local merchants not being very favourable to the situation being maximum of full strength.

Sir,

Subject:- Strike of Mandya servants of Sri Mutt.

In continuation of my letter No. O.C.45/43-44 dated 10-9-44 on the above subject, I have the honour to state that there have been no addition to the number of strikers today, nor have any one of the strikers requested permission to return to duty apologising for their misdemeanour. Towards the evening, a petition signed by all the strikers was sent to me stating therein that they have decided to get back to their places as they cannot live on here with the pay they are getting and praying that they may be disburdened their fine dues' salary for this month forthwith. I have sent the petition herein enclosed for kind perusal. Later, it is rumoured that they are all leaving this place tomorrow morning (11th). So far, the other servants have been steady. The Mutt work is being carried out by employing a few additional hands temporarily. Further developments will be reported in due course.

I have the honour to be,
